2024

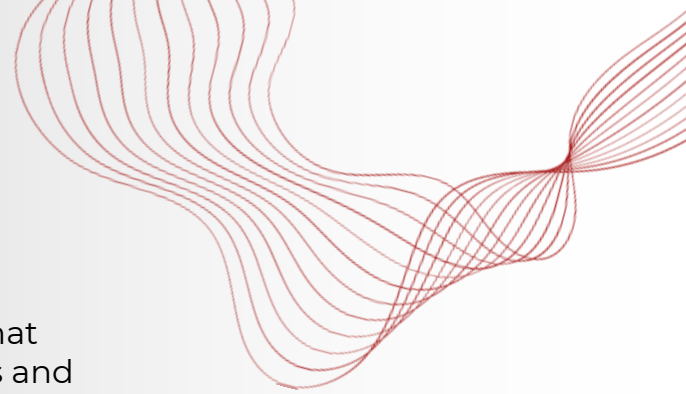

CIVIL ENGINEERING CONVENTION

# WHAT IS CIVILCON?

**Civil Engineering Convention (CivilCon)** is an international event that caters to various engineering fields, primarily targeting civil engineers and architects.

Conducting theoretical and practical activities, **CivilCon contributes to developing engineers in the industry.** Additionally, it serves as a bridge for aspiring engineers to connect with companies in the sector, facilitating encounters between engineering candidates and industry professionals.

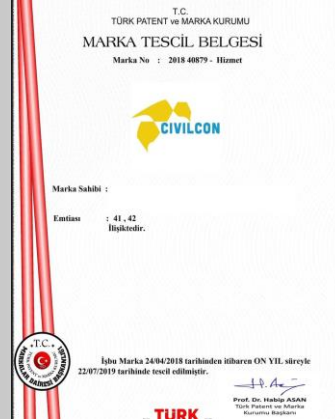

CIVIL ENGINEERING CONVENTION

# WHAT IS CIVILCON?

**CivilCon**, organized by **the ITU Civil Engineering Society established in 1990**, has been held annually **since 2006, consistently adding value to the participant and sponsor company community.**

With its ever-growing audience every year, **CivilCon** has maintained its name at the top for years. This year, **the 19th edition** will take place, solidifying its position as **the biggest** student event in the industry.

CIVIL ENGINEERING CONVENTION

# SEMINARS

These sessions involve top-level executives from companies in the industry and pioneering professors in the academic field meeting and presenting to a diverse audience.

CIVIL ENGINEERING CONVENTION

# INTERNATIONAL NIGHT

International Night is a cultural event where our foreign participants from all around the world introduce their own countries, traditions, and cuisines, fostering camaraderie and providing an enjoyable time for the participants.

CIVIL ENGINEERING CONVENTION

# WORKSHOPS

Workshops are various events, both entertaining and educational, conducted in collaboration with our sponsor companies to merge theoretical knowledge with practice.

CIVIL ENGINEERING CONVENTION

# TECHNICAL TRIPS

Technical trips provide participants with the opportunity to visit the major construction sites and production facilities of our sponsor companies, allowing them to witness the practical application of technical knowledge in the field.

CIVIL ENGINEERING CONVENTION

# SOCIAL ACTIVITIES

Activities such as the Istanbul tour, meeting event, boat party, and similar activities are designed to provide our participants with enjoyable moments and facilitate bonding among them.
